***Additional custom options
available upon request.***

A REFINED BLEND OF STYLE AND FUNCTION.

No need to sacrifice design when installing a retaining wall or other exterior structural project. Kafka Granite's Natural Stone Sawn Cut Drywall is sure to add sophistication and elegance to dry stacked walls in your outdoor spaces. Each stone is sawn on the top and bottom to simplify installation and give a clean look, while both faces and ends are split to allow for a more natural appearance.

THERMAL-TOP STEPS

PROVIDE AN IMPRESSIVE ADDITION TO YOUR LANDSCAPE.

Kafka's Natural Stone Thermal-Top Steps deliver a lifetime of durability and beauty to residential or commercial projects. Each step is sawn to height to allow for an efficient installation process, which eliminates shimming and re-leveling, and features a standard thermal finish to provide added traction for a non-skid surface.

Length: 36" or 48" Sawn

Depth/Run: 18" or 24" Sawn

Height/Rise: 6" Sawn

Finish: Thermal Top, Rockfaced
on One Long Edge

***Additional finishes and custom
options available upon request.***

Additional finishes and custom options available upon request.

A PREMIUM, NATURAL STONE ALTERNATIVE

to manufactured hardscapes, Kafka Granite's Irregular Thermal Flagstone provides the beauty and durability that only natural stone can offer. Each stone is sawn to height with a $\frac{1}{2}$ " tolerance to cut down on sorting and installation time, while virtually eliminating shimming and re-leveling. Our standard thermal finish provides a non-skid surface and more natural appearance.
